SUMMARY OF CONCLUSIONS

The purpose of this SCC meeting was to activate the SCC in the counter-intelligence area as provided by the new Executive Order for the Intelligence Community (E.O. 12036).

Admiral Turner, Thomas Leavitt and Charles Duncan each provided a brief overview on their perception of the counterintelligence threat and the doctrine for and capabilities of the counterintelligence activities under their supervision.

Agreement was reached on a tasking memorandum to be issued by the Chairman of the SCC intended to develop a framework for interagency cooperation and a baseline of shared information (memorandum attached). *attached*

The following additional decisions were reached:

25X1

- State and Justice will jointly develop an issues paper on the East-West Exchange Program for early SCC review and resolution.
